

## DIRECTIONS TO LIDS OFFICES

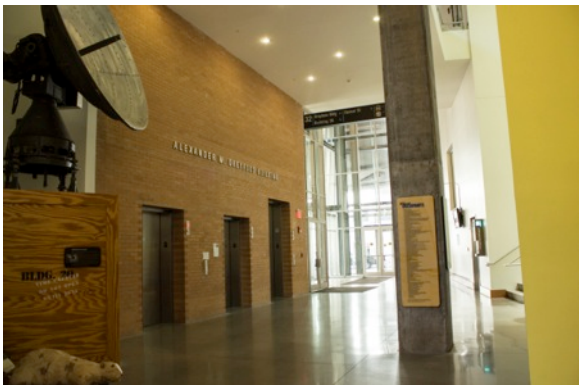

LIDS is located in MIT's building 32 also called the Stata Center ([see it on a map here](#)):

The Stata Center is comprised of two towers: Gates and Dreyfoos. **LIDS offices are on the 5<sup>th</sup>, 6<sup>th</sup>, and 7<sup>th</sup> floors of the Dreyfoos Tower.**

*To get to LIDS it is important that you take the Dreyfoos Tower elevators, **not** the Gates Tower elevators. (The Gates elevators will take you to a different Lab and the two towers are not connected at every floor.)*

**The most direct way to get to the Dreyfoos Tower elevators is to use the entrance pictured above.** This entrance is on Vassar Street between Massachusetts Avenue and Main Street, but much closer to Main Street. Once inside you will see the Dreyfoos Tower elevator bank:

**If you are looking for LIDS Headquarters, take these elevators to the 6<sup>th</sup> floor.** From there, go straight through the double doors on the far left and then make your immediate left. LIDS Headquarters are at the end of the hallway.

**PLEASE NOTE:**

If you come into the Stata Center from the entrance at the corner of Vassar and Main Street (instead of at Vassar between Mass. Ave and Main Street), you will see this when you enter the building:

From this entrance you will need to walk to the other end of the building to get to the Dreyfoos Tower elevators. Just follow the signs:
